Chocolate eggs?

The egg-a symbol of new life

- The egg is a symbol of Jesus' **resurrection and new life**, as when they are cracked open they stand for the empty tomb.
- Eggs were always thought to be special because although they do not seem alive, they have life within them especially at springtime when chicks hatch out.

How long does Easter last?

What can we do during the Easter season?

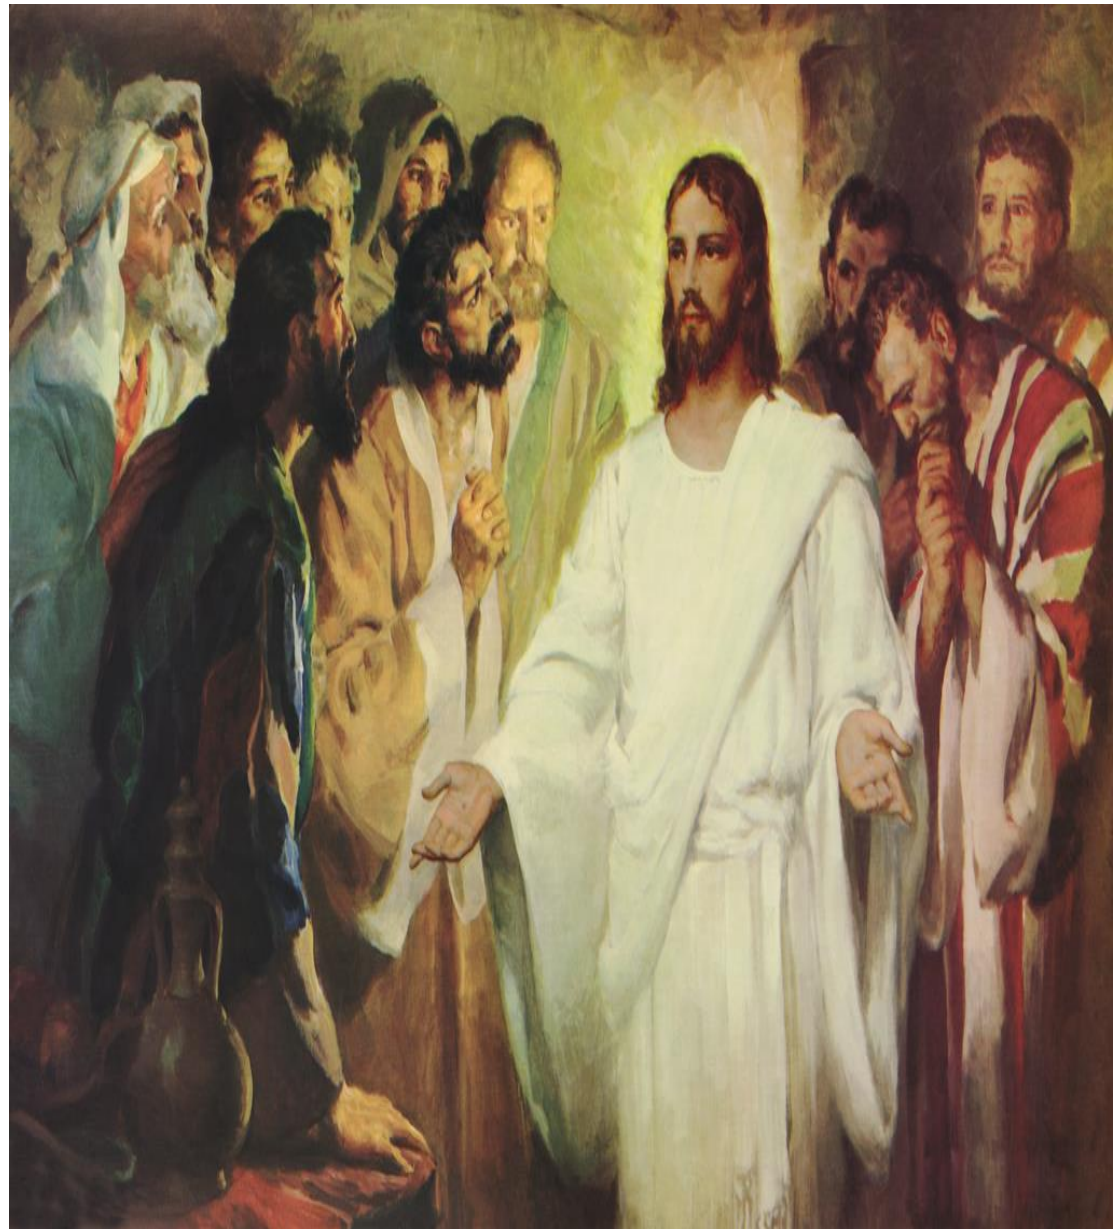

Doubting Thomas

The disciple who wanted proof.

Is doubt good or bad?

Jesus' first appearance to ten of his disciples was in an upper room in Jerusalem. The two disciples not present were Judas, who had left to betray Jesus, and Thomas.

When Thomas, the eleventh apostle, returned to the disciples he refused to believe that they had seen Jesus.

Later Jesus
appeared again to
the disciples and
Thomas was
there this time.
Jesus spoke to
him.

Then Jesus told him,
"Because you have seen
me, you have believed;
blessed are those who
have not seen and yet
have believed."
