Dear Mrs Evans,

Following my fifth "Judaism Day" visit to your school on Wednesday and Thursday 5<sup>th</sup> and 6<sup>th</sup> November 2014, please accept this letter in thanks and support for the wonderful reception every member of staff, and all the children with whom I worked, gave to me.

Particular thanks go to your colleague and RE co-ordinator Christine Jones who arranged the event, timetabled the days and ensured that both her colleagues and I knew what to do and prepared the day in a most professional manner.

The welcome, interest and enthusiasm shown by the staff and pupils for this area of the curriculum will hold the school in good stead for future study.

Work of this type, with faiths coming together to learn from each other, is as important as any curriculum area, in the broader view that education is about developing mutual tolerance, respect and understanding of all kinds. St Columba's Catholic Primary School is this school.

Shalom,

Yours sincerely,
