We give thanks!

Think of a nice thing someone
has said to you.

Think of a nice thing somebody
has done for you.

Think of a time that somebody
has made you feel proud.

What are you most thankful for
this year?

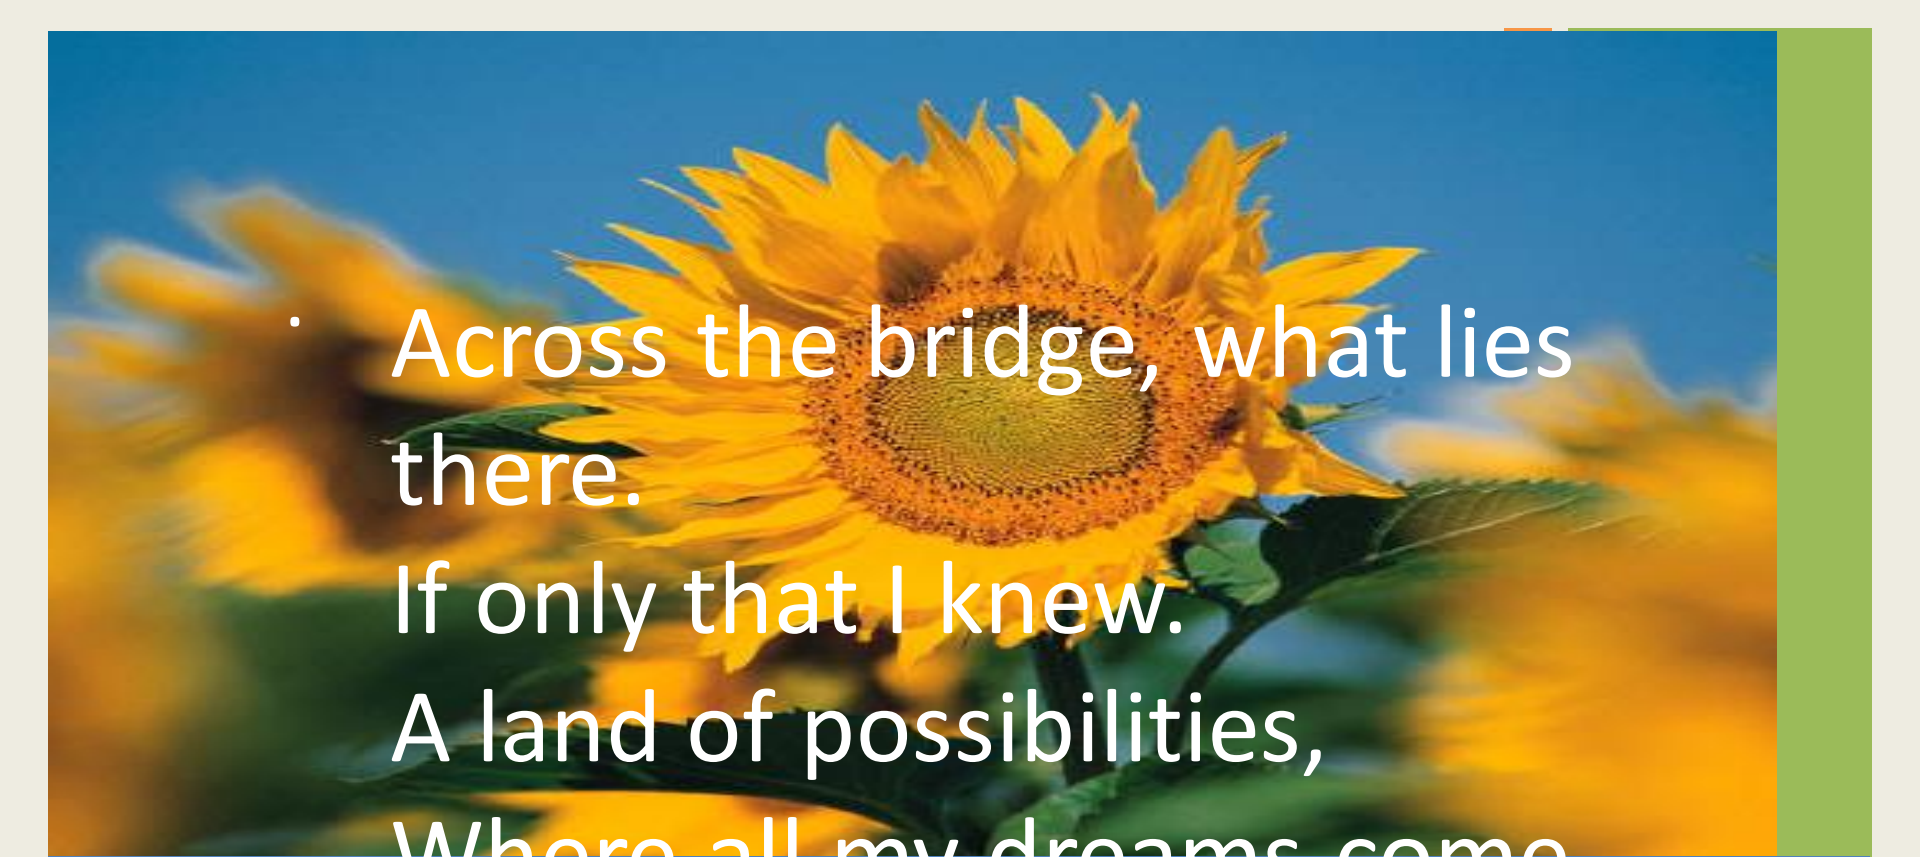

Listen

Moving on!

• I cross the bridge and leave
behind
The world so well I know,
A place without surprises,
Quite ordinary and dull.

•

- 
- Across the bridge, what lies there.
If only that I knew.
A land of possibilities,
Where all my dreams come true?

·

· Every bridge I cross
· in life
· Will take me to new
ground.
· Old things will be left
behind,
· But new things will
be found.

Listen

I thank God who helps me.

I know that he is always there to show me what to do.

I feel safe with you, My God, you will never leave me by myself.

You make me strong like a rock.

You are like a light bringing light into the darkness.

With you I can do anything.

Based on Psalm 16:7-9

Respond

You know me and you love me.

Throughout my year at school, you have
been by my side.

You know me and you love me

Throughout all of my
successes
And happy times.

You know me and you love me

When I have found
things difficult or have been struggling,
you were there to comfort me

You know me and you love me

As I move forward on
my new journey, you will be
At my side.

You know me and you love me

Go forth

As you move onto your new journey,
what will you hold onto?
