

How you can help at home:

Please read with your child at home and send their reading books back in regularly. The children also have High Frequency Word Fans to use. Homework is to be brought back to school before Fridays.

<p><b>Literacy</b>            Fantasy worlds            Information texts            Recounts and poetry            Traditional Tales</p>	<p><b>R.E.</b>            Special People            Meals            Change</p>	<p><b>Science</b>            Weather and Seasonal Change            Materials and Forces            Plants</p>
<p><b>Numeracy</b>            Number and Place Value            Addition and Subtraction            Multiplication and Division            Fractions            Measurement            Shape, position and movement</p>	<p><b>Autumn Term</b></p> <p><b>Year 1</b></p> 	<p><b>Computing</b>            CS1 - understand what algorithms are; how they are implemented as programs on digital devices            CS2 - create and debug simple programs            Digital cameras</p>
<p><b>Art/Design</b>            Observational Drawing</p>		<p><b>Music</b>            Exploring Pitch            Exploring Musical Symbols</p>
<p><b>P.E.</b>            Games            KS1 Fundamentals            Throwing and catching            Target/aiming games</p>		<p><b>Drama</b>            Speaking and Listening            Role-play stories with fantasy settings and traditional tales</p>
<p><b>History</b>            Local area</p>	<p><b>MFL</b>  <b>FRENCH</b>            Greetings</p>	<p><b>Geography</b>            Famous landmarks</p>
