

How you can help at home:

Children will be working on letter sounds (phonics) all year. Please read with them when you can. Share their school books and also other materials (comics, annuals, magazines, read signs, lists at Asda - wherever you can!) Practise weekly spellings throughout the week please.

Please share writing at home too - making lists, writing about trips, football, music - whatever they like! Write poems, songs, imaginative stories - as much fun as possible! Support them learning their 2, 3, 4, 5 and 10 times tables as well as helping them complete maths homework.

Thank you for all your support.
