It's Cool to be in School!

Bouncy castle fun day

The children all enjoyed the bouncy castle and they loved their treats! We would like to see more children taking part. Regular attendance at school means that your child can make the most of their education and improve their chances in adult life. School can also help your child's social skills, such as making and developing friendships. A regular and punctual attendance pattern, will help your child when they enter the world of work. Please liaise with us, and let's make a difference for our children, and for our school from September. Well done to those children who won prizes for their 100% attendance. We know there are a few birthdays in July and August, happy birthday to you! And farewell to our wonderful Yr 6 children. We wish them the best of look for the future!

WELL DONE!!!

School finishes this Friday at 2pm. We hope you have a fantastic Summer. Thank you to all parents/carers for their hard work, support and commitment to the school. Without you, it would not be the place it is. Please stay safe over the Summer and we will see you all on Tuesday 5th September and variable dates for our new nursery starters and children starting in Reception Class.
