# NEWSLETTER

Week Ending 15.09.17

Our first week passed by very quickly and the children have already settled extremely well into their new class surroundings.

Over the Summer the school undertook some further redevelopment and refurbishment as we continue to improve our classroom and outdoor environment. We are hoping to continue the development of our outside areas and are embarking on a gardening project with Faith4Change, with our children planting various vegetables and fruit to harvest. This will also form part of our school enterprise project and Liverpool Counts Quality Mark. We will send home further details nearer the time, we may be asking some of our wonderful parents/ carers/grandparents to help the children and staff with this project.

Children and staff have been working hard on creating wonderful displays inside and outside the classrooms ,we hope that you will be impressed when you come to visit school for Parents Evening week commencing 13th November.
