## NSPCC Number Day 2018

# What is NSPCC?

**S** Be Safe  
Keep your personal information safe and secret. Think carefully before you share a photo of yourself or your friends.

**M** Don't Meet Up  
Never arrange to meet an online friend because it can be dangerous. No matter how well you think you know people, they might be pretending.

**A** Accepting Emails can be Dangerous  
If you receive Link mail (called Spam) or messages which make you feel uncomfortable, tell an adult that you trust and delete them. Don't reply to them!

**R** Reliable?  
The internet is full of friendly people and amazing information. However, sometimes people might say or write things which are untrue. So you should always think carefully before trusting what you see or hear.

**T** Tell Someone!  
Most of the time that you are online, you will have lots of fun. However, if you see something that makes you feel uncomfortable or worried, make sure that you tell an adult who you trust.

**Say NO to bullying!**  
No one has the right to hurt you or make you feel bad.

Unkind behaviour is **NOT** acceptable.  
TELL someone straight away!

# Respond

Our precious Saviour, throughout this week we pray that we may recognise and appreciate the work of NSPCC.

Give us the strength to help other as well as making sure that we take care of ourselves.

We thank you for the people around us who help to keep us safe and we pray that other children might also have special people around to do the same for them

Lord Hear Us

Lord graciously hear us.

## Year 5

Dear God, help us to remember that we can always ask for your help, no matter how impossible our situation seems. Amen.
