

How you can help at home?

By completing any homework sheets and spending time reading stories to your child, to encourage their love of reading and writing. Phonics and Reading are an important part of our Year 1 Curriculum. **Homework:** Reading Books, homework and spellings are given out on Fridays, to be returned by the following Thursday, please. A homework letter will keep you informed of work completed during the week and work planned for the next week so that you can help your child. PE will be on a Tuesday and a Wednesday so full PE kits will be needed on those days. Thank you!

<p>English:</p> <p>This term we will be sharing stories with familiar settings eg: The Naughty Bus and The Train Ride. In Poetry we will be learning poems about the senses.</p> <p>As part of our Non-Fiction texts we will be making lists, reading and writing simple captions.</p>	<p>R.E:</p> <p>In RE we are looking at topics children can relate to and discuss with you.</p> <p>Families Belonging Judaism Waiting</p>	<p>Science:</p> <p>Within the topic 'Animals, including humans' the children study different body parts in humans and animals and learn how to conduct and experiment</p> <p>They also study the seasons: Autumn and Winter.</p>
<p>Mathematics:</p> <p>In Year 1 we start a new Maths programme called Singapore Maths, where we combine a lot of practical work and problem solving to extend and challenge the childrens' understanding of: number and place value, addition and subtraction and shape, space and measure.</p>	<p><u>Autumn Term 2019</u></p> <p><u>Year 1</u></p> 	<p>Computing:</p> <p>In Year 1 children are taught simple programming skills, shown what algorithms are and see how they are implemented as programs on digital devices. They are also asked to create simple programs.</p>
<p>Art and Design:</p> <p>Children learn simple sketching techniques, studying the work of Van Gogh. They also learn how to create their own self-portraits and study the work of other artists.</p>		<p>D.T:</p> <p>Children make their own Christmas cards and learn how to make a moving picture using pivots and levers.</p>
