

Holding hands with Jesus as we love, learn and grow together.

How you can help at home? Please encourage your child to develop a love of books, both fiction and non-fiction as this helps feed their imaginations, which helps with their role play, reading and writing. Read stories to them at bedtime, sing songs and nursery rhymes. Encourage them to write their names and other simple words like Mum/Dad and family names. Also to count objects and practise writing their numbers. Encourage independence and sharing their experiences from school.

Class Dojo and Tapestry: Here you can share messages with the class teacher and upload learning from home to share with school.

Homework: This is given out each Friday for Maths and English work. Throughout the term homework relating to Topic work and R.E. work may also be given out. Reading books or picture books will be given out each Friday and the children will also choose their own books from our 'Reading Rainbow' collection. All homework and reading books should be returned each week by Wednesday.

<p>English Myself, The Invisible String, Here We Are, The Something, Star in a Jar, Christmas. To link sounds to letters, begin to segment and blend words together.
