

## Good Shepherd Appeal 2015 - theme Family

During Lent let us work together and try to be like Jesus, helping out our friends and family. All the Catholic primary and secondary schools in the Archdiocese of Liverpool are invited to join the Good Shepherd appeal, last year 49.8% of schools took part. You can fundraise in whatever way you want.

As you think of different ways to raise money for the Good Shepherd Appeal remember all

the people you are helping. Perhaps you will give some of your pocket money to the Good Shepherd Appeal or maybe you will raise money by baking cakes or taking part in a sponsored silence. By giving up something for Lent you are thinking of others before yourself and using the talents that Jesus gave you to build a better world.
