

# Scientific Vocabulary Lower Key Stage 2

## Working Scientifically

Scientific enquiry

Classify

Comparative test

Fair test

Accurate

Observation

Identify

Evidence

Data

Key

Bar-chart

Conclusion

Prediction

Equipment

Change

Keep the same

## Biology

Nutrition

Carbohydrates

Vitamins & Minerals

Skeleton

Skull

Pollination

Seed formation

Classification

Invertebrate

Digestive system organs

Consumer

Nutrients

Protein

Balanced diet

Muscle

Fertiliser

Seed dispersal

Air

Vertebrate

Names of teeth

Producer

Predator/Prey

## Chemistry

Types of rock (marble, sandstone etc.)

Fossil

Texture

Solid/liquid/gas

Oxygen/carbon dioxide

Change state

Water vapour

Celsius

Solidify

Evaporate/evaporation

Condense/condensation

Precipitation

## Physics

Reflect/relective

Contact force

Names of magnets

Attract/repel

Shadow

Vibrate/vibrations

Sound wave

Muffled

Sound proof
