

How you can help at home? Please encourage your child to develop a love of books, both fiction and non-fiction as this helps feed their imaginations, which helps with their role play, reading and writing. Read stories to them at bedtime, sing songs and nursery rhymes. Encourage them to write their full names and simple sentences. Also to count objects and practise adding and subtracting objects/numbers. Encourage independence and sharing their experiences from school. Come along to workshops and 'Stay and Learn' events.

Homework: This is given out each Friday for Maths and English work. Throughout the term homework relating to Topic work and R.E. work may also be given out. Home reading books are changed on a Friday.
