

How you can help at home:

Children will be consolidating their phonics work from letters and sounds in the Autumn term. Please read with them when you can and support them in fostering a love of reading. Share their school books and also other materials (comics, annuals, magazines, read signs, lists at Asda - wherever you can!) Support your child with weekly spellings and encourage them to use our interactive spelling League. Please encourage writing at home too - making lists, writing about trips, football, music - whatever they like! Write poems, songs, imaginative stories - as much fun as possible! Support them learning their 2, 5 and 10 times tables as well as helping them complete maths homework. Thank you for all your support.

Homework

Maths and Literacy each week
Themed - Make lab coats, Tudor Home and Nativity scene
