THE MARITIME MUSEUM

As part of the Scholars programme, our year 8 students recently visited The Maritime Museum. During the trip, our pupils learnt about Liverpool's links to the slave trade.

THE LOWRY THEATRE

Our Scholars group, in years 9 and 10, had a wonderful trip to the Lowry theatre in Salford. As part of our commitment to broadening their cultural experiences we went to see The Nutcracker ballet.

STUDENT LEADERS

We are very proud of the large number of young leaders in our school, our Duke of Edinburgh students volunteer as Reading Buddies in our local feeder primary schools. Our Heroes have been raising money for Alder Hey hospital and our school council are working with Knowsley Youth Council, to make our community a better place.

SUNSET BOULEVARD AT CRANTON COLLEGE

Some of our drama students had the fantastic experience of travelling to Cranton College for a performance this half term. We have strong links with the college and it was a real pleasure to watch their students perform a production of Andrew Lloyd Webber's Sunset Boulevard.

MARIE RIMMER, LOCAL MP, VISITS SEACA

SEACA were delighted to welcome local MP, Marie Rimmer, to SEACA. She met with our year 7 pupils, who had some tricky questions for her on her role as an MP and current events in Parliament. She then had a long discussion with our various Leadership teams; Prefects, Chaplaincy Team and Humanutopia Heroes. Marie was very honest in her answers and pupils came away feeling inspired and had much more knowledgeable about the democratic process. Our year 10 computer studies group have been working with a PHD student from Edge Hill university on her thesis, examining the impact of social media. They have gained invaluable research experience.

YEAR 10 HEROES AT ALDER HEY

Our Year 10 Heroes delivered a cheque to Alder Hey Children's hospital. They had worked hard to raise £150 before Christmas and are a credit to the school.

VISITS TO CRONTON & CARMEL COLLEGE

Some of our students have recently visited Cronton and Carmel colleges, to discuss college life and experience A level courses. SEACA pupils spoke with college students who are excited about their steps towards university and life after college.
