Other concessions and Learner Support Funds are available and may apply, please call for advice. Evidence must be provided to qualify for any of these concessions.

Course	Day	Time	Weeks	Start Date	Centre or Delivery Method	Contact person
<p><b>Family Maths – Keeping Up with the Kids</b></p> <p>As a parent/carer, it's hard to keep up with your children as they go through school. They learn things in Maths that you might not have done in school, or that you can't remember. Sometimes they use terms you're not familiar with. 'Keeping Up With the Kids' sessions will help you keep up with what your children are being taught and give you some more ideas about how you can help them as they go through school.</p> <p>We will look at methods used to teach certain areas of maths. The course runs for 6 weeks. All family learning sessions are friendly and supportive. We welcome all parents/carers (so don't worry if you are not very confident with Maths).</p>	Monday	18.00 – 20.00	6	23 January 2023	St John's Info Zone, Manor Farm Road, Huyton L36 0UB	<p>Vicky Powell Curriculum Lead <a href="mailto:Victoria.powell@knowsley.gov.uk">Victoria.powell@knowsley.gov.uk</a> 07825 117487</p>
