How you can help at home: By reading each week with your child as well as practising weekly spelling lists that will be sent home. Children will start to learn multiplication and division facts for the 2, 3, 4, 5, 6 and 10 times table and so it would be great if you could rehearse these at home too.

Homework Weekly spelling test along with Reading books. Children will also be given Maths and Literacy homework each week on class Dojo.
