

How you can help at home?

You can help at home by ensuring knowledge organisers are utilised. We will be sending home a new knowledge organiser for each History, Geography and Science topic taught. On it you will find key vocabulary, which children will be assessed on, as well as enquiry questions to be investigated and key facts to be remembered.

You can also help at home by ensuring children are reading at home. We collect reading book bags in on Monday, Wednesday and Friday.

Homework: Children will be set homework, in line with our school homework policy, each Monday, Wednesday and Friday. Children will also get sent home a spelling list each week based on a spelling rule taught in class. Spelling tests will be carried out each Monday.
